NOTICE OF EVIDENTIARY HEARING

NOTICE IS HEREBY GIVEN that, pursuant to Hawaii Revised Statutes ("HRS") Chapters 271G and 91, as applicable, the STATE OF HAWAII, PUBLIC UTILITIES COMMISSION ("Commission"), will hold an evidentiary hearing on the above-referenced docket, as follows:¹

DATE: September 6, 2006*
TIME: 9:00 a.m.
LOCATION: Public Utilities Commission
Hearing Room, B-3
Kekuanaoa Building
465 South King Street
Honolulu, Hawaii 96813

*Will continue thereafter until completed, subject to the call of the Chairman.

¹The evidentiary hearing, initially scheduled for July 18, 2006, see Notice of Evidentiary Hearing, dated June 23, 2006, was continued until further notice based on the parties' and participants' agreements to modify the Stipulated Regulatory Schedule. See commission's letter, dated July 18, 2006.

On April 13, 2006, Applicant YOUNG BROTHERS, LIMITED ("Young Brothers") filed its transmittal seeking the Commission's approval to amend its tariff by: (1) discontinuing less than container load ("LCL") service to and from Kahului Harbor on the island of Maui; (2) making other tariff changes to effectuate this proposed discontinuance of LCL service; and (3) making certain other tariff changes for clarity purposes. Young Brothers proposes to discontinue LCL service to and from Kahului Harbor in order to address the critical shortage of harbor space, made more evident in light of the future commencement of water carrier service operations by the Hawaii Superferry in 2007.

The underlying issue to be considered by the Commission at the evidentiary hearing is whether Young Brothers' proposed tariff change to discontinue LCL service to and from Kahului Harbor is just and reasonable. This will include the following sub-issues:

1. Whether the proposed tariff change subjects any particular person, locality, region, district, island, or description of tariff to any unjust discrimination or undue or unreasonable prejudice or disadvantage?
2. Whether the proposed tariff change supports the need, in the public interest, for adequate and efficient transportation service?
3. Whether the proposed tariff change enables Young Brothers, under honest, economical, and efficient management, to provide transportation service?

The commission's review and disposition of the above-referenced issues will necessarily involve the application of HRS Chapter 271G, including HRS §§ 271G-16 and 271G-17.²

Any party may retain legal counsel if the party so desires. An individual may appear on the individual's behalf, or a member of a partnership may represent the partnership, or an officer or authorized employee of a corporation or trust or association may represent the corporation, trust, or association.

KAREN HIGASHI, CHIEF CLERK

DATED: AUG 17 2006
